**24-25 ADULT MEMBERSHIPS ON SALE STARTING TUESDAY, AUGUST 6TH.
FULL SEASON JUNIOR MEMBERSHIPS ON SALE STARTING SEPTEMBER 4TH.**

FOR REGISTRATION QUESTIONS, PLEASE CONTACT AL HERBERT AT HERBERT@OVR.ORG.

Welcome to another year of volleyball in the Ohio Valley Region. USA Volleyball, including the OVR, uses SportsEngine (SE) as our member management system.

We recommend that you use Google Chrome or Microsoft Edge as your browser. Internet Explorer is not supported.

This means that you will be logging into SportsEngine. The first step is to create an account (not a membership yet) on the SportsEngine system. (An exception is if your club is already using SportsEngine for their website. In that case, you may already have a SportsEngine account.) [Click here for an overview of this process.](#) You may complete this first step of creating your SportsEngine account now.

READ THIS CLOSELY: THE PARENT/GUARDIAN OF A JUNIOR PLAYER MUST CREATE THEIR OWN "HOUSEHOLD" ACCOUNT FIRST WITH THEIR NAME, EMAIL ADDRESS AND BIRTHDATE. YOU WILL BE ELECTRONICALLY SIGNING WAIVERS THAT ONLY AN ADULT CAN SIGN.

THEN USE THE "ADD A CHILD" TO ADD YOUR CHILD'S INFORMATION AS YOU PURCHASE THE MEMBERSHIP FOR THEM. DO NOT PURCHASE A MEMBERSHIP FOR YOURSELF. USE LEGAL NAMES WHEN REGISTERING! NO NICKNAMES IN THE FIRST NAME FIELD.

When you click on any of the links below, you will be taken to the SportsEngine login screen and be prompted for your email address. If you are a family with a Junior Player, a parent should enter their email address to create an account. One new feature with the SE system is the family can add multiple people under one account. That way you only need to remember one login and password instead of one for each participant. But we do recommend that you write down the email address and the password that you entered.

After you enter your email address, if SE finds your email address in its database of logins, you will be prompted for your password. If you do not remember your password for this system, click the button: **Forgot?**

If SE does not find your email address in its login database, you will be prompted to create an account. Enter the requested information. **Again, this should be the adult's (parent/guardian) information not the junior player.** You will be prompted later to "Add A Child" if the actual membership will be for a child.

As you register for a membership below, it will look like you are signing up for two memberships. One is the USAV's (National Organization) membership and one is the OVR membership. You must purchase both. The prices for the total membership is the same as last year. They just broke it into pieces so you can see where your money is going. You may also see two separate charges (totaling the amount of your membership) on a credit card statement.

NOTE: SportsEngine does not accept American Express credit cards.

REGISTRATION STEPS: READ THESE

1. Click on the link below and you will be transferred to SportsEngine. You will be asked to log in with your email address.
2. If you do not already have an account, you will create a "Household" account. Enter the Parent/Guardian information including name and birthdate.
3. You will then be asked: "Who is this membership for?"
4. If your child's name is not already listed, click on: "Add a Child"
5. Enter the child's information including name and birthdate.
6. This creates a SportsEngine Account for the child. The remaining steps will then enable you to purchase a Membership under that account.
7. If you have a second child, return to this page later and start over with the other child's information.
8. For 2024-2025 Season - (Grade-Grad Year); (12th-2025); (11th-2026); (10th-2027); (9th-2028); (8th-2029); (7th-2030); (6th-2031); (5th-2032); (4th-2033); (3rd-2034)

Once a player/family has accepted an Early Signing Contract or regular Contract with a club, that player cannot attend other club's tryouts. A family cannot sign a second contract with a different club.

PURCHASE ALL SEASON, JUNIOR TRYOUTS AND BEACH/OUTDOOR MEMBERSHIPS HERE.

OVR Tryout Membership is valid for OVR tryouts as well as bordering Region tryouts like: Pioneer, Keystone, Lakeshore, etc. Their Tryout membership is also valid for attending OVR tryouts.

When you sign up for tryouts or attend a tryout and fill out a form for the club, make sure you enter the same email address that you used to create your Household account in SportsEngine when you purchased the Tryout Membership. Otherwise, you may end up creating a new Household account later and lose the \$10 you have paid for the Tryout Membership.

FULL SEASON JUNIOR MEMBERSHIP:

AFTER YOU HAVE SIGNED A CONTRACT TO PLAY WITH A CLUB, BEGINNING SEPTEMBER 4TH THE CLUB WILL SEND YOU AN EMAIL WITH A CLUB ASSIGNMENT REQUEST. THIS WILL ASSOCIATE YOUR PLAYER WITH THEIR CLUB AND LEAD YOU TO PURCHASING A FULL SEASON MEMBERSHIP.

If the player is 18 or will be turning 18 during the current season (8/31/2024), they will need to complete the SafeSport Certification. You will be prompted with a link to that certification after you have completed your membership registration and your club adds you to a team's roster. You do not need to complete it immediately. But you do need to complete it before you can be added to a team roster.

The 23-24 full Season Membership is valid for any USAV/OVR (indoor & outdoor) sanctioned event til August 31, 2024.

Cost is \$67 for females and \$47 for males. Junior males have a shorter USAV season than Junior females so the cost difference. If you have previously purchased the Tryout Membership after 6/7/2024, your registration cost will be reduced by \$10.
