

Athlete's Bill of Rights

The purpose of this document is to assist athletes and their parents/guardians during the Juniors tryout/club selection process. The club's responsibility is to provide the athlete's family with all information about their program. The athlete and his/her family are responsible for becoming educated about the programs they are considering. It is the responsibility of both parties to honor every commitment.

There are several types of tryouts. Are you trying out for a club or a specific team in a club? Are tryouts open to all? Are tryouts limited to the number of positions available? Is the tryout 'invitation only'? It is important to know the type of tryout the club offers.

Tryouts are limited to one 2–3-hour timeframe per day. Any additional evaluation is also limited to the same 2–3 hour time frame. Open gym sessions or instructional clinics are not considered part of the tryout process. The Ohio Valley Region does not sanction these events. Only tryouts listed on the OVR website (www.ovr.org/juniors/tryouts) are approved by the OVR. Athletes attending unsanctioned tryouts do not have USAV secondary medical insurance coverage.

Early signing and acceptance of contracts for previous athletes may occur from June 1, 2024, to July 31, 2024. Summer and Fall tryouts are available. Summer tryouts may be from Saturday, July 13, 2024, to July 31, 2024. Clubs may begin to contact athletes, or their parents, from other clubs beginning July 1 only if that athlete has concluded his/her current USAV season. Clubs may never contact any OHSAA athletes after July 31 due to the OHSAA eligibility rules. Fall tryouts are scheduled for after the OHSAA season ends. Clubs may not contact athletes or their parents prior to the completion of their OHSAA season. If a player is already under contract with another club, they are not eligible to try out at another club.
